

WEATHER, CANCELLATION, COVID and DROPPING OUT POLICY for THE 6GG ROCKY MTN NATIONALS*

COVID 19 IMPACT

- If event is cancelled due to COVID. A REFUND is issued 😊 minus a \$100 administration fee.
- If a player is impacted by COVID, a phone call to the event Director is required to discuss the situation.

WEATHER and or CANCELLATION

All events have associated costs such as field deposits, field rentals, awards, lodging, travel expenses, payroll, and insurance coverage that are expensed and have to be absorbed in some cases, regardless if the event runs or not. The paid entry fee amount paid minus \$100 will be refunded for complete rain-outs and weather issues ONLY.

We do not like to cancel any event, but safety of players and coaches is priority. See the weather/cancellation steps as follows:

1. If NO games are played, the team will be **refunded** their paid entry fees paid minus \$100
2. If weather/field conditions warrant changes during the event, the following decisions may be utilized:
 - a) Number of pool play games may be decreased.
 - b) Playing time per game may be decreased.
 - c) Bracket play may start without completing all scheduled pool games.
3. If number of games planned cannot be met, then the following actions in the table below will be utilized.
 - a) Games are considered complete after 45 minutes has elapsed.
 - b) Ranking points, qualification berth, paid berth and awards will be issued, and teams ranked, except when only 2 or less games are played, and we have not moved into bracket play. Points and paid berths will be awarded per table guidelines.

# of games played	Refund/Credit Amount of paid entry fee	Points and Rankings issued	Awards, Berths issued	Paid Berths issued to Championship teams
Zero	Paid entry fees paid minus \$100	No	No	No
1-2	20%	Yes	No	No
After 3 or more	0%	Yes	Yes if in bracket play*	Yes (No refund/credit %) if in bracket play.

DROPPING FROM EVENT - THIS IS A CRITICAL ISSUE, PLEASE UNDERSTAND THE FOLLOWING

This is a tough situation for all teams. Your team must do the best they can to avoid dropping out of an event, they MUST ask for help in finding guest players from the local area. The following policies will apply IF YOU DROP from an after Feb 19, 2023 and March 19,2023.

However:

1. If a team drops after March 19, 2023. No refunds are applicable. If a team can find a replacement team, then their fee can be applied to a new team.
2. Any fee paid to date is 100% non-refundable if a team drops after Feb 19th.
3. Any amounts paid after Feb 19th are 100% non-refundable if a team drops after March 20th.
4. A minimum of 6 teams required to schedule an age division. If 6 teams cannot be scheduled, then teams will get a 100% refund to method of payment. No administration fee applies in this situation.

*. Event Director has final say to amend policy as needed.
