South Jordan City

2014 FASTPITCH TEAM ROSTER & CONCUSSION FORM POLICY

Starting with the 2014 season, the City of South Jordan has implemented a new policy that requires every team to fill out and turn in an online team roster, along with a concussion form and a copy of each player's birth certificate for each league and or tournament in which your team chooses to participate. All teams must have their rosters filled out completely online located on the USSSA Website at: www.ussa.com. The roster must include each player's full name and birthdate in the online system in order to be eligible to play USSSA Fastpitch Softball at South Jordan. After you have filled out your roster online, each team roster must be printed out and signed by every parent. A copy of this signed online roster along with the concussion form and a copy of each players birth certificate must be turned in to Matt Dodge (program coordinator) *by the second night of your games and before your first game starts.*

NOTE: If these forms are not turned in to Matt Dodge before your first game starts, your team will forfeit that game and every game scheduled until your online roster is handed in and signed by every parent along with the concussion forms and player birth certificates. No team may have a hand written name of a player on their roster unless that player is a pick-up player. All pick-up player rules will apply.

Thank you for your cooperation.

Regards,
Matt Dodge
Fastpitch Softball Program Coordinator
City of South Jordan
